

COMMON OPTIONAL ACCESSORIES RANGE LIST

We've taken the liberty to itemize the price range for some of the most commonly requested optional accessories to the standard radio.

Please be advised that these are estimates and that actual costs should be acquired from Hai Phung, PSERN Project Manager, at hai.phung@kingcounty.gov. Additionally, please contact Hai if you have any other questions.

Please also note that the PSERN project supports Motorola accessories only. For pricing and equipment support for vendors other than Motorola, please contact that vendor directly using the link at the bottom of this page.
